

11ft Market Umbrella - thread the rope through the pulley

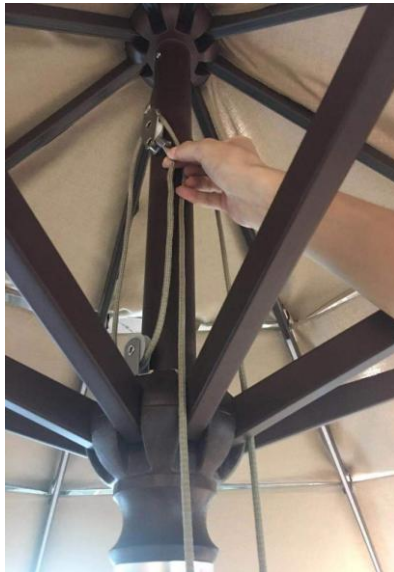

1. Push up the lower runner to open the umbrella and insert the pin to the hole to hold the umbrella.

2. Let the cord go through the upside of upper pulley and pull the cord down. (The cord has two ends, and one end goes through one pulley.)

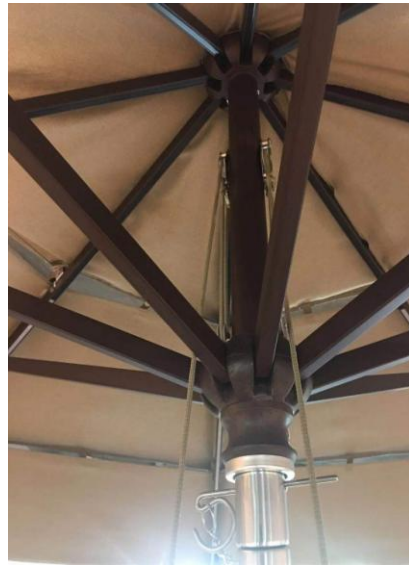

3. Go through the underside of the lower pulley.

4. Go through the underside of upper pulley and tie a knot. Please note the knot is Flemish knot.

5. Pull the cord down and ready for use.
